With You Always

Principal's Message

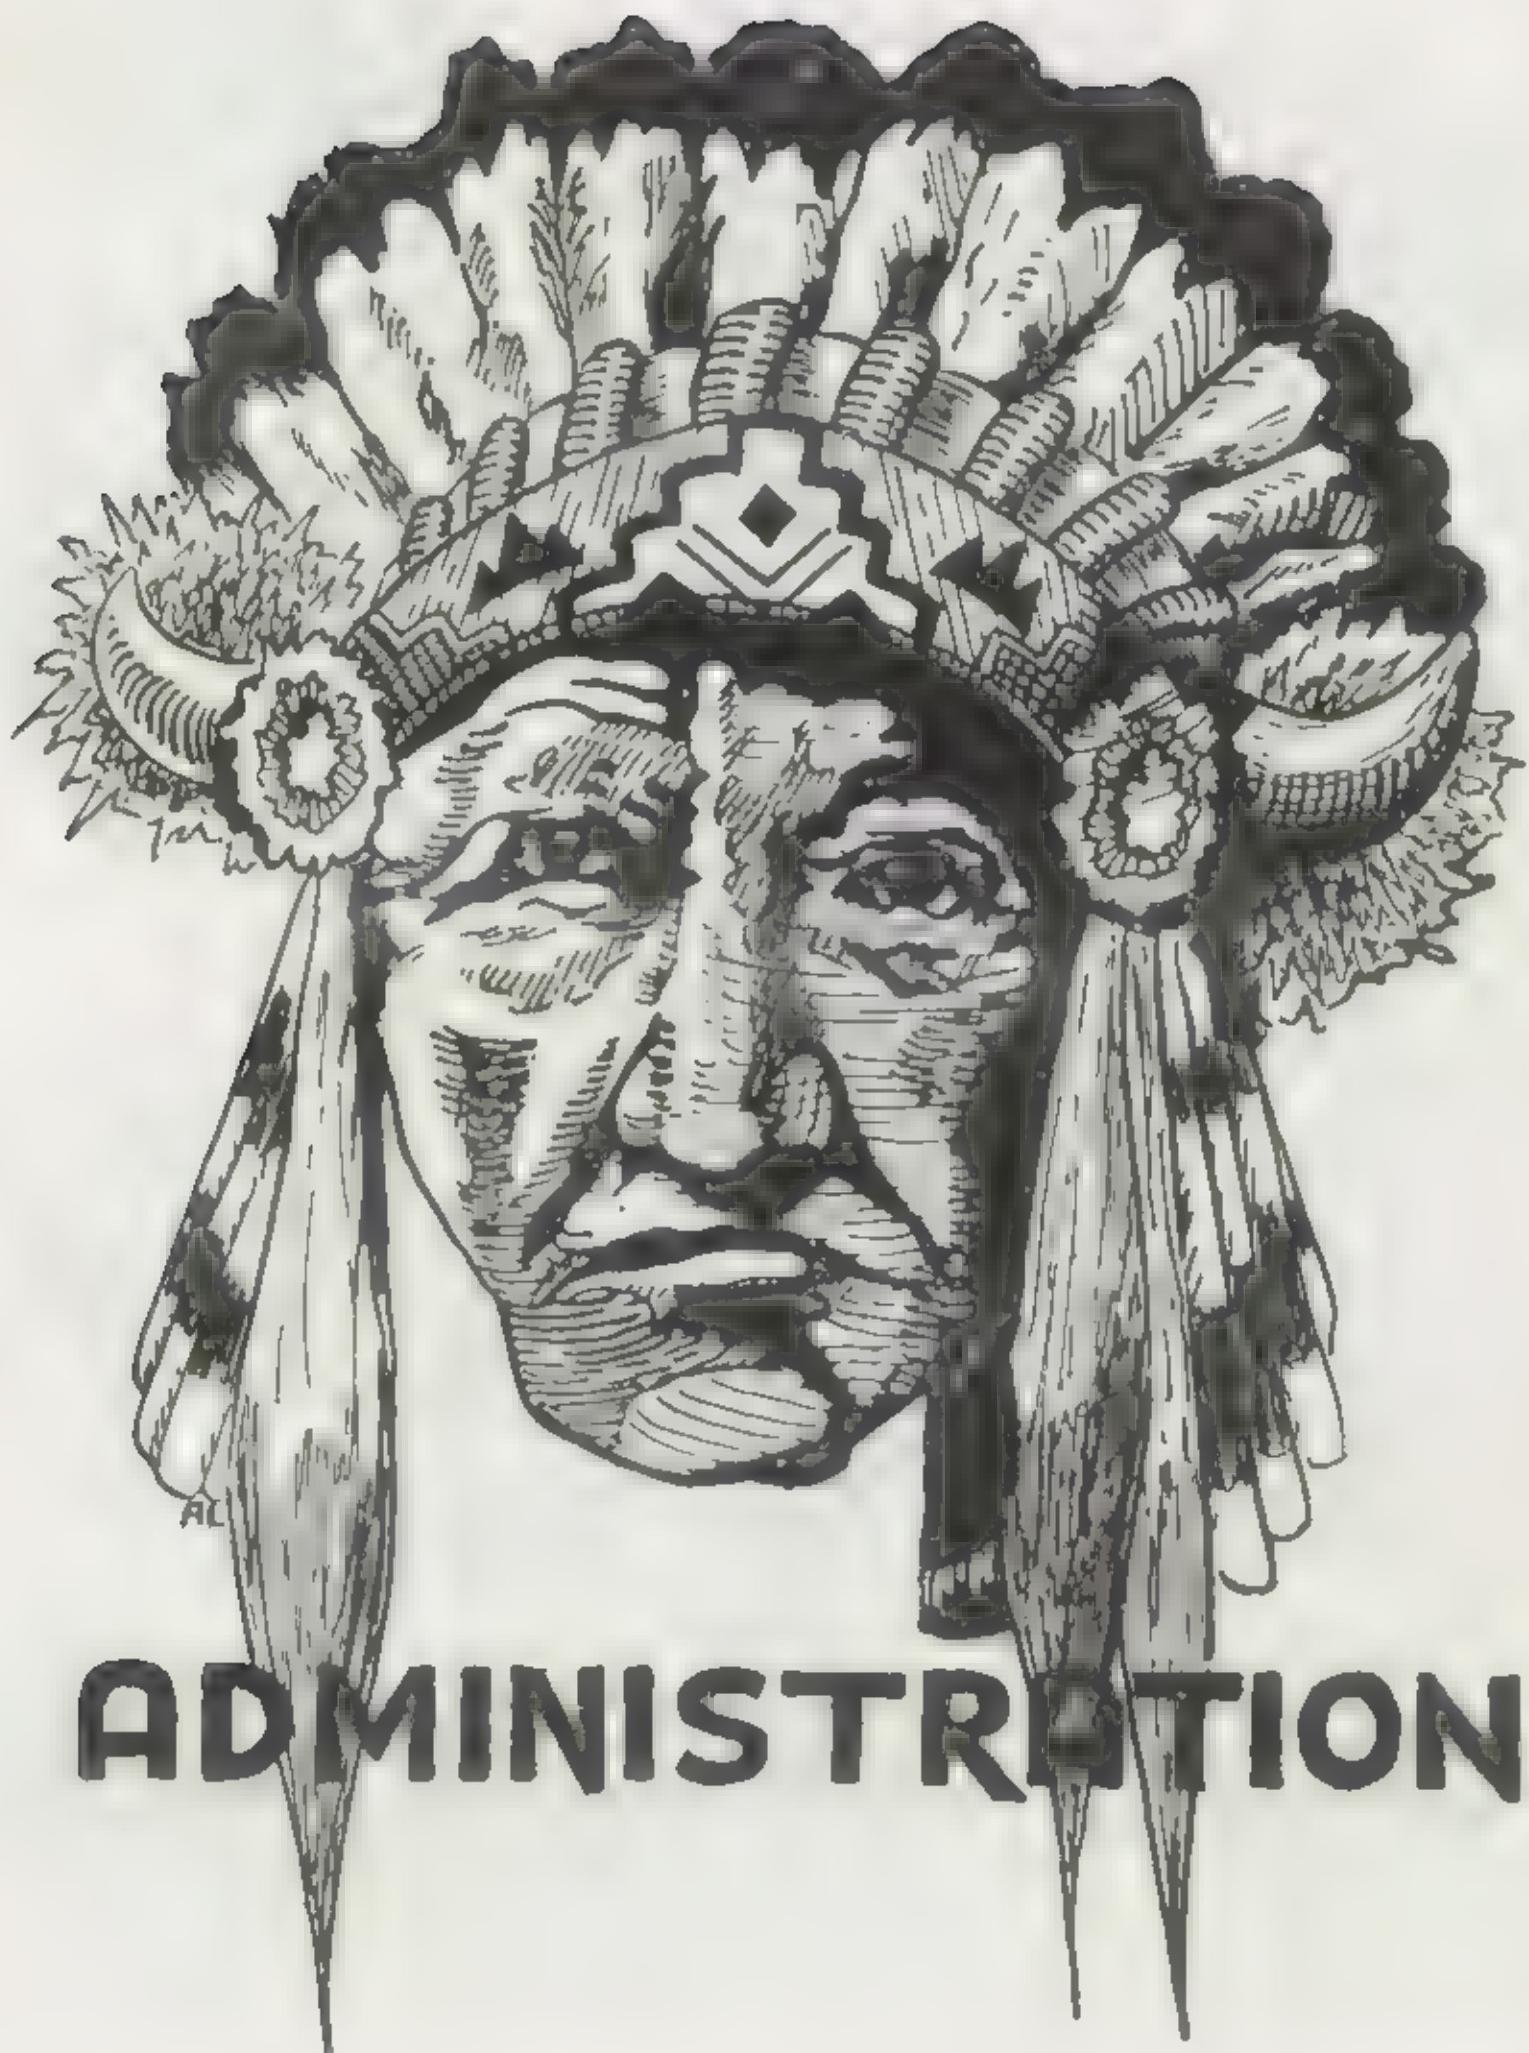

In the celebration of California's Centennial we are proud of our State's progress. We are even prouder that, during forty years of that period, Tamalpais has served the youth of our community.

High School is a period of preparation for life. It is a period of development of academic and vocational skills which are necessary for college or for an occupation after high school. It is a period of character growth and for acquiring proper attitude toward an understanding of our American way of life.

I have been pleased with the improved interest of our students in all activities during the past year. Our student body officers have administered these activities in an excellent manner. The "Inter-School Relationship Committee" has done much to improve school spirit and our prestige in the entire community.

It is my earnest desire and that of each member of the faculty that high school be made meaningful and profitable to each student and that on graduation he may feel that Tamalpais has given him all the prerequisites for success in his chosen work.

W. H. Van Dyke

EXECUTIVE COMMITTEE

Under the expert guidance of Mr. Hall, the Executive Committee has accomplished a great deal. In past years the committee has seemed to exist only as a figurehead with no functioning capacity. The constitution was changed so that the Executive government was not working according to the constitution. Mr. Allison saw the need for a committee to be formed to handle the affairs of the school. This committee had the power to nominate the most powerful body in the school government.

The Executive Committee decided to award an honor trophy to a girl who did the best work in the dedication of the Tower Clock.

The Executive Committee of the Senior Class approved the adoption of a war orphan by the student body.

The Executive Committee of the Senior Class also approved the Constitution of the Executive Committee, with Government presidents, Grand Oracle of Honor "T," and the Girls Association president.

Sherm Hall was chairman of the committee and "Bo" Raisch took over in the spring.

STUDENT CONGRESS

The Student Congress is the legislative body in the school government. This body must approve any motions passed by the Executive Committee and has the power of veto.

The Student Congress is made up of all class officers excepting a class representative, a club president and committee chairman, and the student body officers.

The Student Committee was not active during the fall semester under Sherman Hall, because all efforts were concentrated on the revival of the Executive Committee. However, during the spring semester Dr. Birch succeeded within the Executive Committee now in order in bringing the Student Congress back into being. He had the Student Committees meet at regular intervals to approve appointments and other matters.

This June will mark the twelfth consecutive anniversary of the Congress

STUDENT SELF-GOVERNMENT

The students reorganized their self-government and changed it from a boys' government to a democratic organization. The members patrolled the school grounds at lunch time, and during student body meeting hours. They also placed members in the halls during classes to watch for students who were talking and cutting. Most notable was the opening of a check room for both boy and girl students.

The first self-government were "Bo" Raisch and Joan Guess during the fall semester. Bob Keating and Mary Hazeltine took over in the spring.

SENIOR NOTES

It's said that high school is one of the "mostunforgetable" milestones in one's life; so there are milestones within those four hurried, well-remembered years which have just passed from us.

Mr. W. H. Van Dyke was principal. We were the first freshmen in Tam's history to be welcomed by a new principal, and although we never knew "The Duke," we felt he must be grand because every body else thought so.

As all freshmen we were green and we had the gym books to prove it, however, we didn't have much time to think about it, devoting our time to books, binders, and briefcases.

On October 19th we played against San Rafael. Karl Olson was president of our class. We were part of the football team, and the Trekkers, the letterman-faculty basketball team. In the football game we came out to lose the "Big Game" with San Rafael. Score 20 to 12.

In November we had our first election in our own class choosing Jim Normandi as president.

On November 23rd we had our first "Senior Ball."

The letterman-faculty basketball team, the Trekkers, the football team, and the Trekkers basketball team all had their unicycles come to Tam.

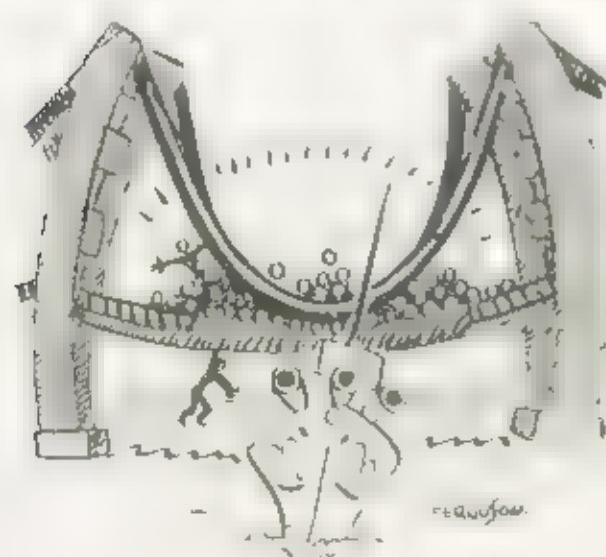

On November 29th we had our first football game against San Rafael. Karl Olson was president of our class. We were part of the football team, the Trekkers, the letterman-faculty basketball team, and the Trekkers basketball team. We were all terrible, and unfortunately we lost again. The game was played, and we lost.

On December 1st we had our first basketball game against San Rafael. Karl Olson was president of our class. We were part of the basketball team, the Trekkers, the letterman-faculty basketball team, and the Trekkers basketball team. It was a very close game, and we lost again. It was a terrible game, but we kept on trying.

It started off well, but then the letterman-faculty basketball team got the ball away from us, and we were unable to get it back. It was a very close game, and we lost again. The elected student body president, Karl Olson was our class president.

The next day we had our first basketball game against San Rafael. Karl Olson was our last semester while "Bo" Raisch was the choice of the student body.

We were part of the basketball team, the Trekkers, the letterman-faculty basketball team, and the Trekkers basketball team. We lost again.

We couldn't possibly get down four years on one page but we remember the Honor T Initiations; senior plays; spring concerts; "Pa and Ma" open-houses, the letterman-faculty basketball games; the letterman fights; the Canteen; the "Faculty Farce"; Big Games and Big Game rallies; senior balls; graduation; senior pictures; the buses; the teachers; the homework the friends the fun.

Now we're graduating. Sorry to go but anxious to leave. Tamalpais is a grand school. We like it.

ACTIVITIES AND ORGANIZATIONS

Sherman Hall

STUDENT BODY OFFICERS

Al Raisch

The Associated Students of Tamalpais Union High School is the main administrative organization of the school. The decision-making body is the Committee, Student Council and the Associated Students Assembly. The various school activities such as clubs, art shows, sports, etc., are financed by the nominal fee exacted from every student at the beginning of each school year for a Student Body card.

Under the leadership of [REDACTED] and [REDACTED] [REDACTED] printed the first history written by [REDACTED] [REDACTED] [REDACTED] history of the school

Although Sherman was out of school with yellow jaundice the last half of his senior year Keith was sent to the University of Wisconsin to work on his project. In the fall of 1919 he returned to the University and completed his term at the Nutt Building working on his project. Several additions were made to the Constitution.

Those serving under President Hall in the fall were Lorraine King, vice-president; Juno Liddell, secretary, Mary Hazeltine, treasurer; and Howie Cohn, youth leader.

OFFICERS

Dawn McKinney

The fall Girls' Association president was Juno Liddell, and under her leadership the group has been active in many ways. The officers are Dawn McKinney, vice president; Bonnie Lou McDonald, secretary; and Ann Neasham, yell leader.

The association has been very active in helping the school, and the members have been instrumental in the success of the various activities. At the end of the semester the girls had their own special day which took the place of the Girls' Inn.

Juno was aided by officers Ann Neasham, vice president; Pat Biondi, secretary, and Jeanne Biondi, yell leader.

THE PAI

Ever since the attack upon Pearl Harbor, the Staff, because of wartime restrictions, has been restricted as to the type of cover and the number of pages and pictures to be used in the annual.

At a meeting, early in November, Pai Editor James Normandi and Manager Virginia McCluskey discussed the fate of the 1948 Pai with Principal Willard H. Van Dyke and Adviser Jules Chourre.

This year the staff had one main objective in mind, and that was to

put out a really good year book. After much discussion, it was decided to have a new 1948 Pai. However, the price of the Pai had to be raised to pay for the extra pages and the padded cover. Therefore, in order to see whether the students would support a higher priced annual, 900 Pais had to be sold before Christmas. This was accomplished by an active and successful campaign by S. C. M. Mrs. June Liddell, and the staff, with the aid of Norma Elliott, Carl Johnson, Marie Link, Lois Hoffmann, Bruce Henderson, Carole Tripp, and Virginia Walker. Jim Normandi and Virginia Walker served as co-managers, and Ruth Howard, Ruth Ferguson, and Alan Links did all of the art work for the Pai.

Jack Gilardi, Beneteau, Tom Davis varsity eleven, not only set up the Indians but made history for the school by winning 13-12 and dropping but one tilt. The Red and Blue rolled up a total of 140 points to its opponents, 56, and, as the North Bay League grid curtain was drawn, emerged Champs. This was the initial pennant for the Indians since the arrival of Sammy Chapman back in '33.

The first contest, with the Tam Alumni All-Stars, found the Redmen on the winning end, 13-12. Fullback Jim McDonald ran 58 yards to score after intercepting an All-Star pass. The alumni came right back to tie up the game. Halftime score: Tam 6, Alumni 6. Jack O'Connor then scored the second Alumni TD from the Tam 5. Davis tossed to Chan in the end zone for the tying marker. The extra point was good and that meant the ball game.

Albany was the next to fall before the Indians, 20-6, on the Marin J. C. turf. The first quarter found Gilardi going over from the Albany 2. Davis kicked the extra

point. A third point from Davis to Chan clicked for the Indians' second score in the first time. 13-0. The third tally, a 10-yard run by Edwards, initiated the twelfth and final kick of the day.

Third the North Bay League contests was played with the Indians on Chapman Field.

The opening tilt, McDonald picked up a first down in the Indians' 10-yard line. Guard handed the ball to Lee Perry. Lee passed it to Edwards and converted. Tam 7, Army 0. The second Tam score came when Davis ran 21 yards. Quarterback Lew Tracy 51 yards to the goal line after intercepting an Army pass. The point after the uprights was good; Tam led 20-0.

A pass from Perry to Scheidecker clicked for the visitors' only score.

Up at Durst field, Tam ran into stiff opposition from the Petaluma Trojans but came out 14-0 winners.

Chan was out of action because of a hip injury, but McDonald, Gilardi, and Davis plus the Indian forvewall, spelled the difference between a win and a loss. Midway in the second quarter McDonald, Gilardi, and Edwards worked their way to the Trojan 2, from whence Davis went over; he kicked the extra point for a 7-0 half-time score.

In the final game of the season, the Indians ventured within the Tam

VARSITY BASKETBALL

In a season packed with thrills and close decisions, Coach George Gustafson's Indian courtmen rambled through a successful cage campaign, winning four games and losing the remaining two games by a total of three points, to wind up their campaign in a three-way tie for the league's second place with San Rafael and Napa. The Santa Rosa Panthers copped the league crown with five wins and no losses.

Captain Karl Olson paced the Tam tribe all the way, scoring 116 league points, a new league record, and 302 for the season, tanking

out the All League title with a 50% shooting percentage, rolling up an average of 19.3 points per game.

Final with Ruth and Steve Hupper with 111% shooting percentage, followed Olson

Travis snared 216 points and 3 free throws, ranking the NBL's top rebounder with a 47% performance average. The Indians' best free throw record was 100% with 94 personal fouls.

Other Indian players were Co-captain Karl Olson and Steve Hupper, Ruth and Steve Hupper, center and Elmer Lee and Carl Long, guard. After starting the Indians to a 4-0 start, the court went to Hell, however, the Indians still won the title with a 100% shooting percentage, 100% free throw record, and 100% foul record. The Indians' best players were Bob Estes, Al Parsons, Bob Estes, and John Bugbee, earned letters.

Indian scores in the N.B.L. campaign were: Tam 52, Petaluma 24; Tam 33, Marin 4; Tam 18, Santa Rosa 11; Tam 19, Vallejo 21; Tam 17, Alameda 20; Tam 31, San Rafael 29.

"B" BASKETBALL

This year's "B's," under the coaching of Jack Baat, finished the '47-'48 basketball season with a record of seven wins and eight losses; and in a three-way tie for third place with Vallejo and Analy in the final N B L. standings.

Coach Baat's lads opened the N. B. L. season at home against Petaluma and won 20-14.

Next came Vallejo, and the Papooses couldn't seem to match the accurate shooting of Eddie Jenkins of the Apachebabes as he poured 21 points through the hoop to smother the Baatmen 29-24.

Although they lost their next league encounter to Santa

Barbara 22-20 in a game called into overtime, Tamites will get the last-second desperation shot of Bob Stout, which passed through the basket just a little too late.

After a week off, the Baatmen returned to the gymnasium to Analy to defeat the favored Tiger Babes 23-18.

Their next game was against the Indio Indians, who had been beaten by the Baatmen 20-17 in their previous meeting. The Indians took the lead by four points in the first quarter, but the Tamites closed the gap in the second and fourth quarters to win 19-13.

On January 10, the Baatmen were defeated by the Marin Indians 23-18. In this game, Vic Mainini scored 11 points, and Art Hall added 10 more. The Marin Indians were led by Eddie Jenkins, who scored 18 points.

Eleven boys made their letters: Forwards, Don Brown, Vic Mainini, Jim Wells, Matt Carroll, Art Hall, Bill Keating, and Bob Stout.

"C" BASKETBALL

Both George Gustafson's "C" and "D" hoopsters went through an "average" season, with both squads coming out with 9 victories in 22 engagements.

The "C" team with 2 league wins against an equal number of losses wound up in a three-way tie for second spot behind San Rafael and Analy, with San Rafael; while the "D" team, once again adorns the walls of the Panther Gym in Santa Rosa.

Heavy duty during the practice tilts, was done by Ronnie Stuart, Indian center. He netted 30 of his 41 seasonal points against San Francisco competition.

Gene Elizondo carried the burden in the league contests with 53 points.

The Indians finished the campaign with 110 points, a total of 110 points.

Jerry Stewart, guard, was the top point-scorer for the Indians with 41 points, followed by Armando Ambrosini 31, Carl Riesman 25, and Jim Greenough 21. The Indians had 11 wins and 11 losses, and Ronald Shafer 2, forwards; Joe Dutra 15 and Ronnie Stuart 41, centers and Tom Hansen 15, guards, were the other Indians.

Greenough 0, guards

The Indians lost their first 5 games, but won 5 out of their 10 tilts.

Santa Rosa this spring

The Redmen, led by Enard Johnson's two firsts in the hurdles, Jim McDaniel's second in the high jump, and a timely transfer from the players left, L. C. Lewis and George Thompson's two seconds in the hurdles, garnered 58 points to take the N.B.L. pennant.

In their first two contests the year the Indians were led by Co-captain [REDACTED] and [REDACTED] [REDACTED] were named out of 10 of their 13 pre-league meets. In their first two outings, the local lads succumbed to the Lowell Indians 70-41 and the Richmond Oilers 84-29.

In a tri-meet with Napa and Analy, the Indians stole 61 digits to Napa's 4 and Analy's 11. The final American Legion County meet was held at Petaluma on Saturday, where they collected 59 points to SFMA's 37. San Ramon and Petaluma came in third and fourth, the being eliminated from the regional by NBL San Leandro at Napa.

Tam's "Block T'ers" who helped the Red'n Blue to their supremacy this year were the following: Jim McDonald, Dick Shaler, Erwin Holton, Steve Harper, and Jim Rosa. Jim McDonald set a new record in the 100 yard dash with a time of 10.2 seconds. Erwin Holton, in the high jump, cleared 6 feet 6 inches. Steve Harper, in the long jump, cleared 21 feet 10 inches. Jim McDonald, in the shot put, threw 45 feet 10 inches. Jim Rosa, in the 1000 yard run, set a new record with a time of 3 minutes 10.2 seconds. Jim McDonald, in the 440 yard relay, ran the first leg with a time of 50.2 seconds.

VARSITY BASEBALL

Karl Olson

Even though Coach George Corson's 1948 band of Indian warriors aren't as experienced as some of their "heavily heralded" predecessors, the chance for another Tam Union baseball monarchy this spring in the North Bay League at this date seem very promising

Due to the fact that Coach Corson had only two returning lettermen to start his second baseball campaign, Karl Olson ss. and Rich Perani rf., and also on account of the curtailment of spring practice by the weatherman, the Tamalpais varsity was compelled to boast one of the worst pre-season records ever compiled by any Red'n'Blue aggregation

Out of the 16 tilts which were scheduled, the Redmen managed to play 8 and win 4 of them. The record was .250 with two 8-2 efforts under the belt. The team has been rounded back to trim shape after a long winter of idleness, according to the Brasso Boys, 4-11, the Tam Angels, 4-11, and by Alumni Stan Woodward

The following is a list of the Indians' results for the season: won 10 games, lost 6, tied 1, and were 1-1 in the 1948 NBL. The Indians' best victory was over the Eagles from George Washington

Before the day is over, the Indians will have 10 more contests of the 1948 league encounters

To date Coach Corson has signed up 15 players for the Indians. In Stanley Walker, Jr. Moretti, Jim Wynn, Jim Langdon, Edward Perani, Art Winter, David Thompson, Pete Moretti, Bill Lindberg, Joe Moretti, and Tom Mitchell, the Indians are well along the way to a good team. The Indians also called upon Dick Kryer and Dick McMurtry, former Indians

"A" and "B" SWIMMING

Arnold Ellis

Building his team around captains Arnold Ellis and Phil Zander, and some 14 returning vets, Coach Paul Daly will be out this season to put Tam on the map, as far as swimming goes

Being strong in almost all events, the Ind air are expected to do well in one of the toughest schedules available

High-point hopes for the varsity lie mainly in last season's "B" stars, Jim Chapman, Tom Weller, and Don Leaf, and newly-arrived Harold Volberg

The "lites" look to Captain Zander, Dixon Lee, Bill Diebel, and to the relay teams

Concerning the prep schedule, the Varsity Vets are in Varsity Games at the Marin Civic Center, Marin Fair, and the Golden Gate Park. The "B" team were ever at the Marin Fair, Golden Gate Park, and the University of California. The "lites" will be found in every event

The varsity took a sixth place by virtue of a fourth place by Howard "Tuck" Henry

The seniors achieved notable success in swimming in Acquamarine League, the San Francisco Junior St. Invitational Berkeley and the North Coast Sect. n Meet at the University of California

GOLF TEAM

Last year another pennant was added to the walls of the Main Building as Coach "Doc" Graves' Indian Gol' Team won the N B L. championship

The team went through the season undefeated in six matches which, together with nine the year before, gave them a 15-0 record of games won since play was resumed after the war

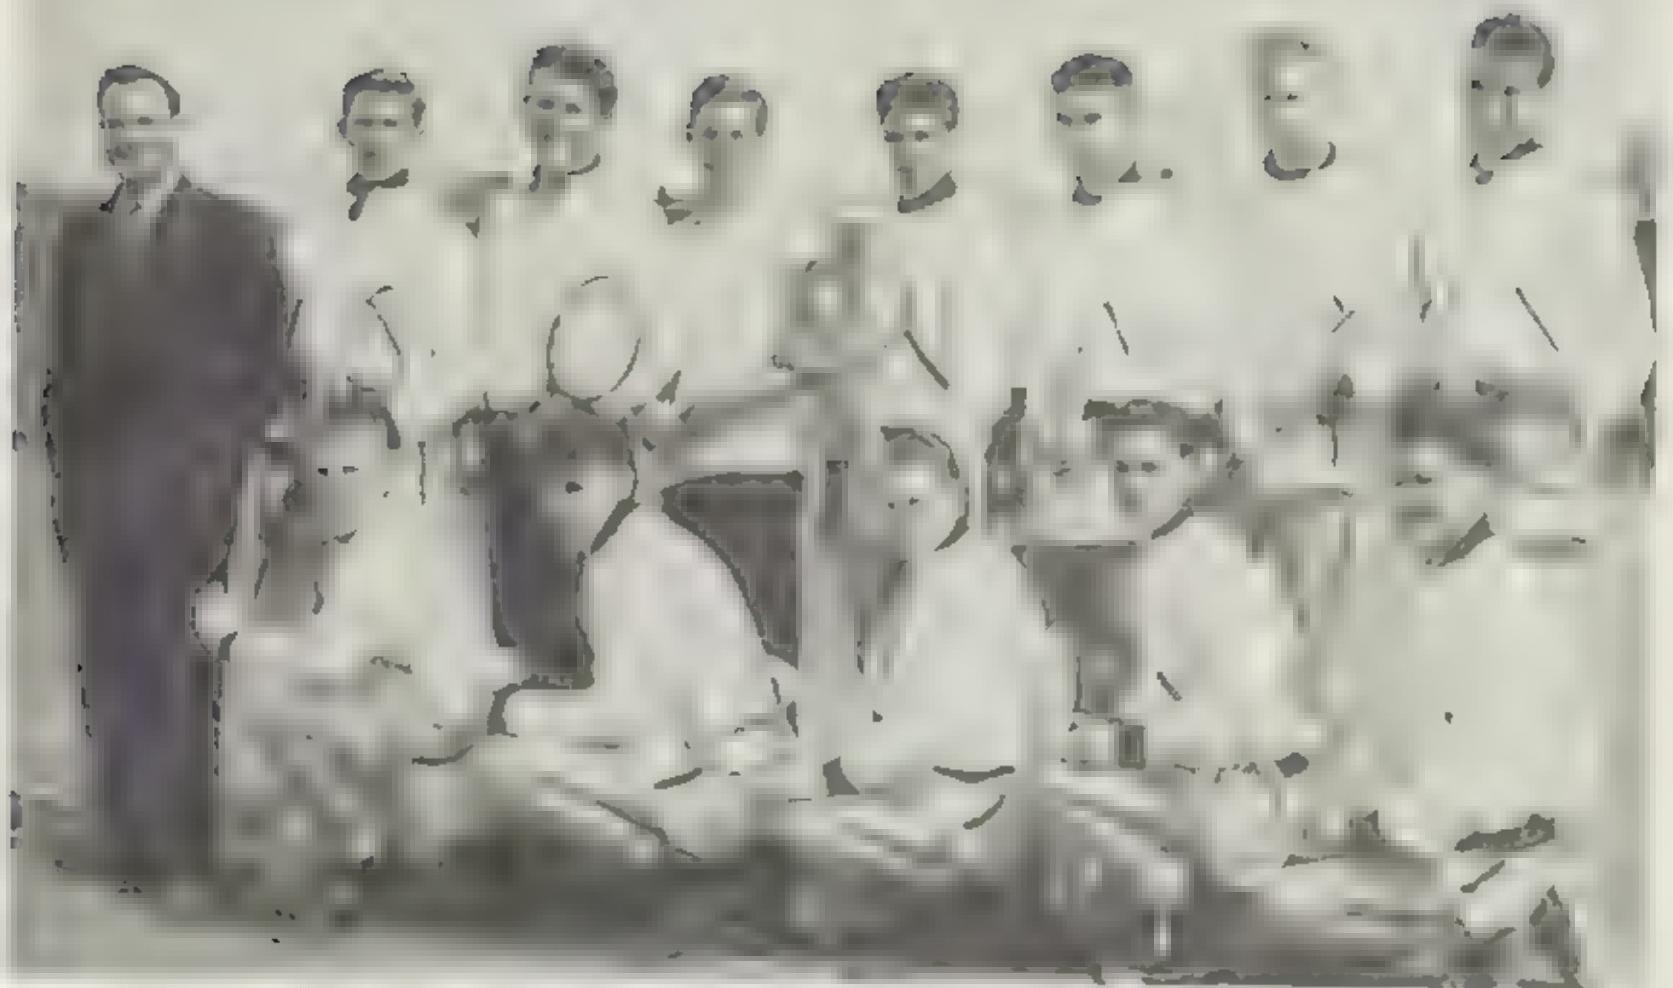

The team, composed of Bob Rutherford, captain; Al Rutner, Rock Owen, Stan Aitchison, Joe Nevi, and alternates Al Weqscheider and Ed Hammer, took three matches from Vallejo, two from Santa Rosa, and one from the College of Marin

In the first two contests the Indians had a chance to show their skill in golfing as they won both two precision contests of 18 holes each. In the first two precision contests of the year Doc's bunch of "green" boys rolled over Vallejo 3-2 and 4-1.

At present writing the league season has not started and Petaluma has withdrawn out of golf competition. Perhaps it was because they didn't think it worth the efforts spent as long as Tam looked to be the top team again.

During Easter vacation Nevi traveled to San Francisco where he made arrangements to enter the Northern California Junior Golf Tournament. At the same time the rest of the team went to Sonoma where they put in a little practice

It is expected that Coach Graves and his prodigies may bring the trophy back to the Indians from the Malpais as most of the boys are only 16 years old. After the tournament, Nevi, Owen, and Carpenter will return to the school to continue their studies and Stan Rutner and Rock Owen will continue their studies at the University of Southern California.

VARSITY TENNIS

Giving their coach his first N. B. L. tennis crown, Coach Harold Allison Indian netsters paddled their way through an undefeated season last fall to cop the Fall N. B. L. title.

With co-captains Al Parsons and Ron O'Mara at the helm, the Indian racquetiers made it a perfect season by dropping the San Rafael Bulldogs in four pre-league games and in their final league performance.

THE YOUTHFUL MEMBERS OF THE G. A. A. ARE A YOUTHFUL LOT.

THE GIRLS OF THE G. A. A. ARE A YOUTHFUL LOT.

G. A. A. MEMBERS

G.A.A. ARCHERY

"I shot an arrow into the air!" So goes the "theme song" of the G.A.A. archery group. Under the direction of Miss Mary McCurdy and management of June Hayden, the girls learned the technique of the bow and arrow. Meetings were held on Tuesdays and Thursdays. Awards were given to those who had been there for three-fourths of the meetings.

G.A.A. RIDING

The G.A.A. riding group, managed in the fall by Polly Hoots and in the spring by Jane Erwin, was organized into two groups which rode on alternate Saturdays.

Horses were rented at the Meadow Club, and each week about ten girls participated in the two-hour ride.

Highlights of the season were a series of breakfast rides and a trip to Lagunitus Lake. Faculty advisers for this section were Mrs. Leedy and Miss Phifer.

G.A.A. SPEEDBALL

About twelve G.A.A.'ers met on Mondays and Wednesdays during the fall semester to play speedball.

Although not enough girls turned out for two regulation eleven-man teams, those that came, went home bruised and battered after the short-sided but rugged contests.

Joey Barbera was the speedball manager. Miss Eileen Phifer was the faculty adviser for this sport.

G.A.A. BASKETBALL

Over fifty girls turned out for G.A.A. basketball this spring, and nearly all of these girls received awards for their participation in this sport.

To gain credit a girl had to be present at at least three-fourths of the games, which were played every Monday and Wednesday. After several practice turn-outs, inter-class games were held; gradually the teams played off, and champions won out.

Joanne Elliott and Gene Donnelly were managers.

G.A.A. SWIMMING

During the fall semester G.A.A. swimming under the direction of Mrs. Evelyn Leedy was divided into two groups, one specialized in racing training; the other, in ballet work.

The racing group, of which Elizabeth Rodman was manager, spent most of its time training for the interclass meet in November. This contest was won by the juniors with the sophomores second and the freshmen third. Individual high scores were chalked up for Charlotte Anderson, Jill Wigley, and Jan Remington.

The water ballet section, after practicing ballet techniques and form presented a program for the G A A. Awards Dinner in January. Jill Wigley was manager.

G.A.A. TENNIS

G.A.A. tennis had its largest turnout this fall with almost fifty girls coming out twice a week for six weeks and winning their awards.

The group was separated into three divisions: beginners, intermediates and advanced. In the doubles tournament Bev Rossi and Claire Metten emerged winners.

Miss Phifer led the girls; Bev Rossi was manager. The G.A.A.ites used the local courts, and also traveled to the Mill Valley City Courts because of the size of the group.

Mary A. McCurdy G.A.A. HIKING

In ten Saturdays during the school year, groups of eight or nine girls trudged alongside fall and spring hiking managers, Clara Stackhouse and Joy Johnson, and adviser, Miss Mary McCurdy, to local points of interest.

Most of the hikes were in Marin County, to Muir Woods, Mount Tamalpais or through the surrounding hills, or to one of the many trails in Golden Gate Park.

Each hike lasted all day, and the girls packed lunches to eat along the way.

ACKNOWLEDGEMENT

Now that our book is complete, the members of our staff wish to thank the many friends of the 1948 Pai for their co-operation.

We are deeply indebted to Mr. Van Dyke and Mr Harry Russell for their help and patience, Mr. Jules Chourre, who was our general adviser, the print shop boys, for the tremendous job of printing the Pai, John R George and the news staff, for the Pai copy and publicity; Shirley Krogman, who designed this year's Pai cover, Bill Bard of the Beaux Art Studio and Mr Robert Prather, who handled the photography; Miss Hamilton, who kept the Pai accounts; Walter Mann Photo engravers, who did all the engraving for the Pai, and Becktold Company, who made our covers.

And to all of the teachers and students who have helped us in any way to compile the 1948 Pai, we sincerely say, "Thank you."
